PREAMBLE

NIPER-Guwahati is the fifth institution to be established under the Department of Pharmaceuticals, Ministry of Chemicals and Fertilizers, Government of India. The Institute commenced its functioning in 2008 and has since emerged as a premier centre for high-quality education, advanced research and innovation in pharmaceutical sciences in the North-Eastern region of the country.

NIPER-Guwahati serves as a vibrant hub where scientific knowledge and education converge with technological innovation, fostering an environment that inspires students and researchers to pursue excellence and contribute meaningfully to scientific, technological and industrial advancement in furtherance of national initiatives such as Make in India and other Government of India programmes.

Further, the institute seeks to contribute towards the preservation, promotion and wider visibility of the rich handicrafts and handloom traditions of the North-Eastern region. The initiative is intended to provide artisans and producers with opportunities to showcase their products to a wider customer base and access potential marketplaces, while creating meaningful social, cultural and economic opportunities for the artisan community. It further seeks to enhance awareness and appreciation of the region's distinctive cultural heritage and traditional craftsmanship among consumers and stakeholders.
